PERSONAL PROFILE

I am a 26-year-old enthusiastic Information Technology (IT) final year student at North West University who is willing to be part of the greater good of Information Technology industry through dedication, smart work, attention to detail and organized skills.

I have clear understanding of Information Technology language basics, Python, Java, HTML, CSS, C# and Scratch. Developed teamwork and communication skills through various projects and individual projects, showing leadership skills, creativity and the edge to complete at all given tasks at the earliest finish.

I am seeking an opportunity that will allow me to master the skills I have obtained. I am motivated to learn more from the industry through all sectors as there is no limit to my knowledge.
